JACKSONVILLE, FL—

"We must learn to live together as brothers or perish together as fools . . ." —Dr. Martin Luther King, Jr.

Islam in America: What does its presence mean?
Now in a concise format, what every American should know about Islam and America's Muslims.

It seems each day there is something in the news about Islam and Muslims, but how do you separate fact from fiction? During this Heritage Month, you have the opportunity to go beyond the evening news, to expand your heart and mind and learn about Islam proper, the faith of nearly 2 billion persons, through the eyes of a man who dedicated his life building bridges of interfaith respect and collaboration. It's time you got to know about Imam Dr. Wallace D. Mohammed (1933-2008), a Muslim who inherited the struggle for dignity and economic justice through the African American saga and Islamic influence woven into the history of American Blacks both before and after slavery.

Imam Mohammed is the world renowned religious scholar and leader who led millions of so-called Black Muslims to true Islam, dispelling false notions of race and religion to make his Community a new world leader for the proper understanding and practice of Al-Islam. The Imam's mission and vision, emphasizing religious scholarship, education, economic development, and the promotion of universal human excellence live on and continue to transpose a legacy of leadership onto the world stage. Now, this chapter in American history holds greater promise for America than at any period in our country's history.

FAMACO Publishers, LLC presents The Special Edition Commemorative Calendar ***Remake the World: Tribute to the Leadership of Imam W. Deen Mohammed*** Online at www.famacopublishers.com

We are honored to publish the Special Edition 2010 Calendar chronicling an extraordinary legacy of leadership to the American Muslim and World Community. This historic Commemorative Calendar is a 12-month odyssey taking the reader on an American and global journey via a concise, yet highly informative 34 page narrative that brings America face to face with what Islam is and is not and what its presence means. For American Muslims, *Remake the World* is a reminder of their great responsibility, and for the Non-Muslim, it is about a new understanding and acceptance. Thematic elements include Christian, Muslim, and Jewish Holy Days, biography, resources page, and analysis of one of the most intriguing chapters in American, Muslim, and world history

In memory of the humanitarian leadership of Imam W. Deen Mohammed, FAMACO will contribute 10% of all retail profits from the Special Edition 2010 Tribute Calendar to the Clinton-Bush Haitian Fund now through February 28, 2010. Our hearts and prayers are with Haiti.
